RE - EXIST New Canadian Women
Made from 100% recycled fabrics and insulation.

Destinazione: Mare... The thought of the sea in Winter doesn't leave us cold. Wrapped up in thoughts of summer and warm quilts, we keep our noses to the wind and defy all challenges. With New Canadian Women, we do this sustainably, responsibly and 100% animalfree. Our fabrics are diverse, In metallic lustre or velvety corduroy, 3D quilting or matt textures. Whether we fancy, soft blue or warm greige tones, polar pale purple or cool black may depend on the weather..

Das Meer im Winter lässt uns nicht kalt. Eingehüllt in den Gedanken an den Sommer und warmen Stepp halten wir die Nase in den Wind und bieten allen Herausforderungen die Stirn. Mit New Canadian Women schaffen wir das nachhaltig, verantwortungsbewusst und 100% _animalfree._ In metallischem Glanz genauso wie in samtigem Cord, 3D Stepp oder matten Texturen. Ob uns dabei der Sinn eher nach weichen Bleu oder warmen Greige-Tönen steht, nach polarlichem Zartlila oder coolem Schwarz liegt vielleicht am Wetter..
